

Plant & Ship™ Program

Everything is included but the grow time! You get healthy top-performing Proven Winners® rooted plants in a 4.25 Grande™ container *with* tags and trays.

All You Need to Do is Grow!

Our Plant & Ship™ varieties arrive planted as Supernova® Enhanced™ liners with quality soil in a 4.25 Grande secured snugly in their tray with a stake tag – reducing your labor costs. Even better, this program is less expensive than other prefinished programs. Just give these plants a little more growing time and they’ll be ready to sell.
